CUBAN EXPOSITION CAR.

Open To Day.

While not generally remaining open on Sunday, the Cuban exposition car has granted the request of numerous Jacksonville citizens, who would otherwise not be able to see the exhibit on account of business duties, and will be open to day the usual week day hours of 9 a. m. to 10 p. m. It is stationed at the C. & A. depot and has had many appreciative visitors since its arrival Friday morning.

Not one person in a thousand has the slightest conception of the importance and extent of Cuba's resources, considered either as to agriculture, fruit growing, mining, forests or manufacturing. This exposition car shows that the country is wonderfully blessed in regard to natural and acquired advantages. To-morrow will be the last day of its exhibit in Jacksonville.

The points of exhibit between here and Kansas City will be Roodhouse, Ill.; Louisiana, Bowling Green, Vandallia, Mexico, Higbee, Glasgow, Marshall, Higginsville and Independence, Mo.

Seats for De Wolf Hopper in "Wang" on sale in the morning at 8 o'clock.

MISSIONARY AUXILIARY.

Miss Weller gave interesting information concerning the church's work in Montana, and Mrs. Tomlin told of the inspiring meeting in Boston, where the united offerings of the auxiliary amounted to \$150,000. Renewed encouragement is given to the local branch by the friendly interest and zeal of Rev. Mr. Mitchell.

The next meeting will be at the same place on Dec. 2. Topics: "Missions in Porto Rico," by Mrs. Mitchell, and "Missions in the Philippines" by Mrs. King.

sioner vote for George Detrick.

For the office of surveyor vote for
Mansell Dudley.

Remember the polls will open at
seven and close at five election day.

Go to the polls early and see that
all your Republican neighbors are
there in good time.

The patriotic citizen will be happy
to cast his ballot for the election of
Bert VanWinkle for state's attorney.

The citizen devoted to his country
will vote for J. H. DeLong for com-
missioner of schools and get a
man of long experience in teaching.

The safe man will be certain to se-
lect Dr. J. H. Spencer for the office
of coroner, for he well knows what
that means to all the people.

The business man will be sure to
cast his vote for George Detrick for
the office of commissioner and get an
official who understands his duty.

The fair man will cast a vote for
Mansell Dudley for
the services of a man competent
and willing to do his full duty by all.

The wise citizen will do well to re-
member that the men to send to the
legislature are Messrs. Heinl and
Fetzer.

All we can do for the country
should be done and one of the things
is to vote to perpetuate the present
desirable condition of things.

The earnest citizen will be the one
to cast his ballot for the man who
does his part in bringing about the
good times.

The careful citizen will always be
glad to do the wise thing when he is
advised and all such should read the
ticket carefully and vote accordingly,
and give a vote to Charles L. Hayden
for circuit clerk.

The Republican ticket contains a
list of gentlemen for county offices
who will make good servants for the
people if chosen to the places to
which they aspire.

If you are in favor of a clean state
administration, remember that Chas.
S. Denen is the man to choose for
governor, and the men nominated
with him.

Lay aside the cares and anxieties
of business Tuesday and devote the
time to the election of Theodore
Roosevelt for president and Charles
S. Denen for governor, and the rest
of the Republican ticket.

Again the voters of the city and
county are urged to be on hand and
do their duty at the polls Tuesday.
All signs are encouraging and work
will tell.

NOT FOR A CENTURY.

Senator Beveridge in a magazine
article claims that the Democrats al-
ways opposed the building of the
Panama canal. They were advocating
the plan before the present Republi-
can party had an existence and long
before Beveridge was born.—Courier.

If this statement were true, which
is not admitted, and if the Demo-
cratic party had been perpetually in
power since the time to which the
Courier refers, the canal would not
have been built for a century nor
would the arrangements for it have
been made. It took the wisdom, hon-
or, integrity, ability and energy of
a Republican party and of a Roose-
velt to bring the matter to pass.

PARKER'S REPLY.

"This is no time to consider de-
tails of such a remedy." Such was
the statement of Candidate Parker in
his speech in reply to Roosevelt in
New York Saturday night, when re-
ferring to the trusts. How familiar
it sounds. When has the Democratic
party, through platform or candidate,
considered details or made any profes-
sion, barring the broad statement that
they would furnish the adequate
remedy? But, will the people be fool-
ed again? Have they forgotten 1892?

Another memorable period in politi-
cal history when there was "no time
to consider details!"

"Then the cry was, 'Tariff reform.'
"Times are good, but we (the Demo-
cratic party) can make them better."
"The consumer pays the tax," etc.,
etc. How familiar the threadbare ar-
guments of eight years ago sound.

If there is not now time to consider
the details, then why has there been
this long period of silence on the part
of the Democratic candidate? Too
late, too late; an eleventh hour tele-
gram may sway and influence a Dem-
ocratic convention, but a false accusa-
tion charging the president of the
American people with vicious prac-
tices and the absolute failure to pro-
duce one jot or tittle of proof in sub-
stantiation thereof is the height of
folly and only makes the Democratic
candidate ridiculous and uncovers the
utter despair to which the nominee
and his managers are driven.

Seldom in the history of American
politics has one candidate openly and
publicly attacked the character or
impugned the motives of his opponent.
The action of Parker is unprece-
dented.

"I requested the Democratic cam-
paign managers that they should not
receive from any trust money for
campaign purposes. And I am advised
that my request has been scrupulously
respected." "Have been advised?"
How judicial such an utterance
sounds.

But the judicial mind of Parker
has failed to take cognizance of the
fact of the nomination of Mr. Gass-
way Davis, the multi-millionaire mag-
nate, whose vast sums have poured in
in one continual stream to fill the
Democratic coffers.

But, it is too late. An eleventh
hour utterance may belound the
minds of the delegates to a national
convention, but lightning seldom
strikes twice in the same place, and
the silence of Parker, broken at this
time in the campaign, and broken in
the manner in which it has been, will
only serve to lessen his already too
slender hold on either the minds or
affections of the people.

The silence of the astute judge and
candidate has been twice broken, but
we are of the same opinion still. The
man without a record will have one
so plain after Nov. 8 that he who
runs may read.

Promises, platitudes and denuncia-
tions cannot be filed as a set off to
performances, principles and enact-
ments.

DEATH RECORD

WAGGONER.

William Waggoner, one of the well
known citizens of the eastern part of
the county, died at his home near Ar-
nold Saturday morning at 11 o'clock.
He had suffered with Bright's disease
for some time and was otherwise af-
flicted. Mr. Waggoner was born in
Perry county, Pennsylvania, Aug. 14,
1841, and came to Illinois in 1860. At
the breaking out of the war he en-
listed in Company K, 101st Illinois
infantry, and served with honor until
the time of his discharge, and at the
close of his work for the union he
settled on a farm and has since fol-
lowed the occupation of a tiller of the
soil. He was married Dec. 18, 1880,
to Anna Grimes, who died April 10,
1903. She was the mother of one
child, who died in infancy. Mr. Wag-
goner leaves three sisters, Mrs. Anna
Magill, of East College avenue, this
city; Mrs. Kate Magill, living east of
the city, and Miss Emma Waggoner,
who has been his housekeeper and de-
voted attendant and nurse during his
illness. He was a member of Matt
Starr post, G. A. R., and was much
esteemed by members of the order.
He was a first class man in all re-
spects. As a husband he was always
kind and loving and as a neighbor he
was obliging, strictly honorable and
popular among all who knew him well.
A good man and worthy veteran has
gone.

The funeral will be conducted from
the family residence Monday morning
at 10 o'clock, by Rev. C. M. Brown,
assisted by Rev. Mr. Bowdin, pastor
of Pisgah church. The services will
be in charge of the G. A. R.

WOMAN'S CLUB

Meeting of Unusual Interest
Held Saturday—Address by
Miss Bedford—New Members

A joint meeting of the Woman's
club and the Domestic Science Round
Table was held at the Woman's col-
lege Saturday afternoon that was un-
usually interesting.

After the meeting of the executive
board of the Woman's club, a general
meeting was held in the chapel. The
minutes of the last meetings of the
clubs were read and Mrs. H. B.
Smith gave the report from the meet-
ing of the state federation, recently
held at Danville. She talked of the
nominations and election of officers
of the federation, and gave an inter-
esting discussion of the paper deliv-
ered by Dr. Ryder, a woman who prac-
ticed medicine in New York city for
ten years and afterward went to the
orient with Pandita Ramabai and is
now traveling in America in the in-
terests of her work.

Miss Carrie Dunlap gave a very en-
joyable violin solo, Miss Borden ac-
companied.

Miss Bedford, who is giving the
course of lectures under the auspices
of Passavant hospital, gave an ex-
ceedingly interesting address on the
history of bread making from the
earliest times, and gave a practical
demonstration of modern methods of
making the "staff of life." Miss Bed-
ford is an excellent speaker and she
added a grace and ease to her dem-
onstrations which made them doubly in-
teresting.

A delightful piano solo, "Hark,
Hark, the Lark," by George Gerlach,
a pupil of the Blind, closed the pro-
gram.

The attendance at the meeting was
large, there being quite a number of
guests from out of the city present.

The following new members were
added to the club, and it is desired
that all club members out the list
out and paste in the year book: Mrs.
A. J. Wheeler, Miss Ruth Scrimger,
Mrs. Arthur Masters, Mrs. T. B.
Smith, Mrs. M. H. Goodrick, Mrs.
William Badger, Miss Laura Hayden,
Mrs. Corrington, Mrs. Jennie Vail
and Mrs. Wood were re-instated as
members.

The name of Mrs. George E.
Scrimger should be added to the list
that appears in the club's year book.

GRIDIRON VICTORIES

Alton Defeated by Narrow Margin—Hillsboro Outclassed—Tie Game at Winchester—J. B. C. Lost to Blackburn.

Jacksonville high school defeated Alton high school football eleven Saturday afternoon at the West Side park by a score of 12 to 11. It was another example of speed against beef. The visitors had force, but were sadly lacking in team work. A large crowd of enthusiastic students witnessed the game. Alton made the first two touchdowns. Smith, who is playing right half, didn't arrive until the second half and the team was disorganized. After his arrival the team picked up and carried everything before it. Alton's gains were made mainly through the line. Smith made several splendid long runs around the ends. Jacksonville's first touchdown was made by Richards, who broke through tackle for 40 yards. In the second half Alton received the ball and carried it to the 20-yard line, where Jacksonville held. Several end runs by Smith and King placed the ball on the 30-yard line. King broke through tackle for a touchdown. This victory places the school in the class of the Western Military academy and the St. Louis Manual Training high school. The lineup:

Jacksonville—Bowen, right end; Wehrle, right tackle; Hollenthal, right guard; Mullonix, center; Vickery, left guard; Funk, left tackle; Mendonsa, left end; F. Bavington, quarter; King, right half back; Smith, left half back; Richards, full back.

Alton—Kachne, right end; Ellison, right tackle; Bierman, right guard; Ward, center; Squires, left guard; Degehhardt, left tackle; Lewis, left end; Hagar, quarter; Beall, right half back; Smith, left half back; Enos, full back.

Summary: Touchdowns—Richards, King, Enos and Smith. Time of halves—Twenty minutes. Referee—Owen. Score—12 to 11.

WINCHESTER VS. WHIPPLE

The Whipple academy football team played a tie game with the Winchester eleven Saturday afternoon on the grounds of the latter. The game was stubbornly contested from start to finish and while neither side was able to score the ball was kept in the territory of the Winchester eleven the greater part of the game. The lineup:

Whipple—Fox, left end; Kirby, left tackle; Dixon, left guard; Rook and Woods, center; Gordon, right guard; Williams, right tackle; Frakes, right end; Johnson, quarter; Goebel, left half back; Crum, right half back; Stubblefield, full back.

Winchester—Gibbs, left end; Toad, left tackle; Daniels and Bentler, left guard; McGuire, center; Smithon, right guard; Smith, right tackle; Young, right end; Nelson, quarter; Ruder, left half back; Goodhead, right half back; Lankford, full back.

Summary: Time of halves—Twenty minutes. Umpire—Schroeder. Referee—Wharton.

AT VIRGINIA

The Jacksonville Tigers were defeated by the Virginia eleven Saturday afternoon on the grounds of the latter by a score of 12 to 6. The local team was greatly outwitted, but put up a good game and held the score down by their stubborn defensive play.

The line-up of the home team was as follows: Bolton, left end; Hopper, left tackle; Dailey, left guard; Waterfield, center; Schweppe, right guard; William, right tackle; Clamplitt, right end; Bancroft, left half back; Strandberg, right half back; Hutchinson, full back.

Touchdown—Bancroft.

SCHOOL FOR DEAF

The Institute for the Deaf defeated the Hillsboro high school Saturday afternoon by a score of 34 to 0. The visitors put up a plucky game, but were not in it at any stage of the contest.

J. B. C. VS. BLACKBURN

The Jacksonville Business college was defeated by the Blackburn college at Carlinville Saturday by a score of 14 to 5. The game was hard fought and both sides did some brilliant playing. Strawn made the touchdown for Jacksonville on a delayed pass along the side line. Blackburn made two touchdowns and one field goal.

PUBLIC LIBRARY

Many New Books Have Been Added—Work of the Children's Department.

Play the pupils and teachers of the sixth grades of the public schools were invited to the children's room at the library for an afternoon with noted authors and celebrated people. A representative collection of forty pictures of well known writers was placed on a screen and around the room, and underneath each was a verse or reference to the author to serve as a clue to the picture. It proved not only a very enjoyable game for the children, but also helped them in learning how to consult books for references. Quite a number guessed all the pictures.

This year the story hour will be in charge of Miss Holderman and Miss Marie Chambers and will commence Saturday morning, Nov. 9.

INTERESTING MEETING.

The C. W. B. M. of the Christian church held an interesting meeting Friday afternoon in the church parlors. There was a large attendance and the program was of a very helpful character. The report from the national convention of the C. W. B. M. was presented in a comprehensive manner by Mrs. Watt. Among other things worthy of note was the fact that during the past year the increase in the funds of the organization throughout the country equalled \$20,000.

Mrs. Emma Wharton sang a solo very acceptably, which was greatly appreciated.

The theme of the meeting was "Harvest of the Year's Work." The watchword is, "Our Minds, Our Means and Ourselves."

CHAMBERLAIN'S COUGH REMEDY.

No one who is acquainted with its good qualities can be surprised at the great popularity of Chamberlain's Cough Remedy. It not only cures colds and grip effectually and permanently, but prevents these diseases from resulting in pneumonia. It is also a certain cure for croup. Whooping cough is not dangerous when this remedy is given. It contains no opium or other harmful substance and may be given as confidently to a baby as to an adult. It is also pleasant to take. When all of these facts are taken into consideration it is not surprising that people in foreign lands, as well as at home, esteem this remedy very highly and very few are willing to take any other after having once used it. For sale by all leading druggists.

CENTENARY CHURCH

Active Campaign Has Been Planned Along Sunday School Lines.

The following letter has been sent out to each member of the Centenary Methodist Episcopal church in the interest of Bible study in the Sunday school. The school has been re-organized with William P. Duncann, M. D., as superintendent, and a strong corps of fellow workers, and the hour of holding the session has been changed to 9:45 a. m., the hour at which the other Sunday schools of the city are held. Dr. Duncann, Jr., is organizing all departments of work and is planning to have excellent music. The letter is here given:

To the Members and Friends of Centenary Methodist Episcopal Church, Greeting:

The pastor and members of the Sunday school board, in the name of our blessed Lord and Savior Jesus Christ, ask you to consider carefully and prayerfully this announcement at an appeal.

1. The hour for holding the Sunday school session has been changed to 9:45 a. m.

2. At that hour next Sunday, Nov. 9, we will present to you our newly elected superintendent, William P. Duncann, M. D.

He is a young man whose personal character, natural and acquired gifts and spirit of faith and love in the cause of Christ commend him to us as one who will successfully lead us in this work most vital to the spread of the Gospel. We ask for him most hearty and perfectly united support.

3. It is our purpose to make that hour each Sabbath the church's hour for Bible study. May we not see three-fourths of the membership of the church in regular attendance? What an inspiration that would be to the minister in the pulpit and what a blessing it would be to the children and youth who must look to us for the Gospel of Jesus Christ.

4. We have our appeal on these facts, viz:

(1) We are under divine command to search, study and teach the Scriptures.

(2) There is no field so rich or so ready for the laborer as that of childhood. But few are saved out of any other field.

(3) Without diligent cultivation of this field we need not be surprised at indifference to and final rejection of the claims of the church or the higher claims of the Gospel.

(4) To most effectively cultivate this field and save those whom we love as we love our life we must have the presence and example of the parents and adults in the Sunday school. If the parent is indolent or indifferent in the matter need he be surprised if the child becomes so and finally stands aloof from all the good influences and offices of the church and of the Gospel?

In the light of these facts we appeal to you. Consider prayerfully your duty in this relation to your child and the children of this city.

YOU CAN DO SOMETHING.

(a) Pray for the Sunday school.

(b) Attend the Sunday school.

(c) Use your influence for the Sunday school's success.

(d) Study the lesson each week and, if a parent, study it with your child.

(e) Join the home department. We shall have one soon and at once if you will help.

MAY WE BE DEPEND UPON YOU?

With a sincere desire to see all the children happy Christians and all the members of the church earnestly enlisted in some department of this work, this letter is sent forth in faith, prayer and love.

By order of Sunday school board,
W. H. Wilder, Pastor and Chairman,
Jacksonville, Ill., Nov. 3, 1904.

"Moneybak" Black Silk.

Silk Secrets.

Silk is a strong fiber. According to a chemical analysis it often carries five times its weight in dye. This being the case, pure silk ought to wear five times as long as a weighted silk, as chemists say wearing qualities decrease proportionately with increased weight.

"Moneybak" Silk is pure silk and pure dye, and will wear five times as long as a heavily weighted silk. As the length of time that a piece of silk will wear determines the actual cost, "Moneybak" Silk is cheaper in the end, as the price paid for making up four costumes of weighted silk is money thrown away, together with the findings.

Silk counter. Name on selvage of genuine.

It seems hardly necessary to say that our line of black silks is the largest in the history of our business including the celebrated Black "MONEYBAK." "Moneybak" means long wearing guaranteed silk. It means perfectly woven silk. Look for the special ribbon selvage. It is your protection. Request that "Moneybak" Black Silk be shown you. All widths from 19 to 36 inches.

KEROSENE LAMP EXPLODED

Mrs. Bert Landes Severely Burned at Her Home on Pine St. Saturday Evening.

Mrs. Bert Landes, residing at 237 Pine street, was most painfully and severely burned Saturday evening by the explosion of a kerosene lamp. Both hands and arms and parts of her body were badly burned, and portions of her clothing were burned to such an extent that they were like ashes.

Mrs. Landes was in the act of blowing out the light and had the lamp in her hand when without a sign of warning it exploded and instantly her clothing was in flames. Her husband entered the house only a moment before and was in the room when the explosion occurred. Taking in the situation at once he carried his wife to the kitchen and extinguished the flames by the use of the kitchen pump.

Dr. D. W. Reid was hastily summoned and upon examination found that the burns were very severe and had the patient removed to Passavant hospital, where her injuries were properly dressed. No serious results are anticipated.
